The LEAD IFM scheme supports a maximum of 36sqm per company per exhibition.

The association is responsible to send for audit and file the grant claims with ESG on the company's behalf.

LEAD IFM operates on a group reimbursement basis for the Singapore pavilion, not as an individual company.

Reimbursement amount will be based on the final claim submitted on the above eligible expenses incurred by the association.

LEAD IFM Reimbursement is company and exhibition title-centric.

From April 2018, a company will be entitled to an increase (up to 70%) reimbursement when the same eligible company participates in the same exhibition title for the first three (3) times.

The three (3) counts begin from April 2019.

From the forth (4th) exhibition onwards, the reimbursement is up to 50% for the same exhibition title.
